Athens, GA 30602

or, preferably, e-mail the entire package as a pdf attachment to: hmmata@uga.edu

Please provide the following information:

I. Education

Please attach your résumé with a summary of your educational background, including institution(s), dates attended, degree(s) / certificates received, and major areas of study for each institution.

II. Experience:

1. How did you hear about the Photojournalism Internship position? What most interests you about this position? What do you hope to gain from your participation in the internship?
2. List significant travel abroad experiences. Please include the dates, purpose, and length of trip.
3. Please indicate your level of speaking, reading, and listening comprehension for each language you speak, read and write (1-poor, 2-fair, 3-good conversational, 4-excellent, 5-fluent, 6-fluent native).
4. Please briefly describe the most rustic and/or remote living conditions that you have experienced.
 - a. What were the benefits of living in that situation?
 - b. What were the challenges?
5. Describe your thoughts when you were immersed in a new culture for the first time. Please be specific.
 - a. Did your perception of that culture change over time?
 - b. If so, how?
 - c. If not, why?
6. Please describe the most successful or interesting photojournalism project you have had. Include your role, responsibilities, duration and the skills gained and new insights obtained from this experience.
7. Please describe your skill level and experience using various media-related software (e.g., blog, web design, PhotoShop, InDesign, FinalCut Pro, etc.).
8. In under 500 words, please describe your short and long term goals; include your plan to achieve them.
9. Please include a portfolio representative of your work and/or include links to on-line publications or other representations of your work.

III. Health

Note: This information will be maintained confidential, and is required in the case of medical emergency only. The information you provide here has no bearing on your consideration for the position.

1. How would you rate your overall health? Do you have any chronic illnesses?
2. How would you rate your fitness and stamina?
3. Do you have any allergies (medicines, insect stings, food, etc)? If yes, please explain.
4. Are there any foods that you cannot or will not eat? If yes, please explain.
5. Do you require any medications on a regular basis? If yes, please explain.
